1. Mount Display

If the display is not already mounted, use supplied mount or purchase a mount which will fit and hold the size and weight of the display. Follow the supplied mounting instructions and make sure the mount is installed into the wall studs.

2. Connections

Connect the USB drive to one of the open USB slots on the display.

3. Setup Display

Follow the supplied instructions on displaying the image from the USB flash drive or watch the Your Digital Directory Offline setup video. You can watch the video by clicking on this link: Offline Directory Setup
